TO: All Insurers Writing Medical Professional Liability Insurance in the State of California and Other Interested Persons

SUBJECT: Annual Experience Report of Medical Professional Liability Insurance Statistics Pursuant to California Insurance Code §11555.2

Pursuant to California Insurance Code Section 11555.2, I am asking that each California licensed property and casualty insurer transacting Medical Professional Liability Insurance report its statistical data to this Department as specified in the reporting forms. Premium, loss, reserves, and expense data must be filed by all that are writing, or have written Medical Professional Liability insurance in the last five years: 1998, 1999, 2000, 2001, and 2002. This reporting requirement shall be continued in future reports, to be filed annually.

If your company wrote Medical Professional Liability insurance in any of the five years, please complete the report forms and return them to our office by **August 1, 2003**. The forms are available as a downloadable form on the Department of Insurance website at "<http://www.insurance.ca.gov>." If you cannot download the forms from the website, please call our office at (213) 346-6732 for a diskette of the report forms. When you have completed filling out the forms, please save them on a diskette and send us a copy of the diskette and a print out of your report.

If your company did not write Medical Professional Liability insurance in all five calendar years (1998, 1999, 2000, 2001, and 2002), please fill out and return the attached Signature Page indicating that your company has "No Data" to report.

If you have any questions regarding the completion of the forms, please call my staff at (213) 346-6732. Thank you for your cooperation.

Sincerely,

JOHN GARAMENDI
